### SJSB Subject on a Page: Music

#### **Subject Assessment Headlines:**

Music is assessed in a check in/check out method at the start and end of each unit.

This, along with teacher assessment provides the children with a level at the end of the year.

Each skill is assessed through teacher assessment and this information is entered into SeeSaw regularly as the teacher (Technola) uploads work.

#### Subject Strengths

- Children are engaged in music and enjoy the subject.
- High quality of resources, hardware and software used in music lessons engages and challenges children of all levels
- Quality of teaching is high due to specialised staff with high subject knowledge.
- Curriculum is covered in depth through a variety of different experiences across the years.

## Areas of development

- Technola to add to SeeSaw weekly so teachers can see the skills children are developing and can use these in other lessons.
- Technola to inform teachers more frequently (half termly) of what level the children are working at.
- Discussions to be had with Technola to see if we can provide music lessons to all year groups.

link closely to their scheme of work.

# Teachers to receive training by Technola during staff meetings to improve their music skills and be able to enable children to use their music skills in other lessons. 1. Monitoring 7. Raising profile of subject: 6. Governor Link Planning and overviews for what is taught from Technola is available. The profile of music and how it fits into other subjects and Medium term targets are monitored though lesson observations and talking the wider world will be raised during assemblies. Masses with Technola. (singing). I will look at doing a 'Music Day' Music will be monitored through pupil voice, learning walks, monitoring of From next year each class will also do a cross curricular unit raising the profile of music in other subjects. 5. Parent Links Parents will be able to see what children have been learning on Seesaw. They can read the policy on the school website. Parents will be regularly updated on their child's progress at parent's evenings and termly reports as the teachers will have access to more data. **Music Next Steps** 2. Curriculum & Book Monitoring The curriculum across the years has been adapted to meet the needs of our children ensuring all children have access to a broad 4. CPD/ staff meetings range of activities covering all of the curriculum. Staff meetings will be scheduled into the academic year to provide 3. Assessment SeeSaw will be monitored once Technola start CPD to teachers to enable them to understand some of the skills the Children are assessed at the beginning and the end of a unit, in a check in, check out way. This uploading evidence onto it. children are learning in music and how they can be used across all assessment will now be passed onto class teachers. areas of the curriculum. These will be provided by Technola and will

Teacher assessment will be done during each lesson and recorded on a whole class feedback sheet and saved on SeeSaw.
