SJSB Subject on a Page: PE

Subject Assessment Headlines:

PE is assessed in a check in/check out method at the start and end of each unit.

This, along with teacher assessment provides the children with a level at the end of the year.

Each skill is assessed through teacher assessment and this information is entered onto a whole class feedback sheet.

Subject Strengths

- Children are engaged in PE and enjoy the subject.
- High quality of resources used in PE lessons engages and challenges children of all levels
- Quality of teaching is high due to specialised staff with high subject knowledge.
- Curriculum is covered in depth through a variety of different experiences across the years.

Areas of development

- Mr Ennis and Dan to add to SeeSaw weekly so teachers can see the skills children are developing and can use these in other lessons.
- PE coaches to inform teachers more frequently (half termly) of what level the children are working at.
- Discussions to be had with PE coaches to see if we can provide PE lessons to all year groups.
- Teachers to receive training by PE staff during staff meetings/PAD days to improve their PE skills and be able to enable children to use their PE skills in other lessons.

1. Monitoring 7. Raising profile of subject: 6. Governor Link Planning and overviews for what is taught by Mr Ennis and Man City is The profile of PE and how it fits into other subjects and available. Medium term targets are monitored though lesson observations Dr C Babbs the wider world will be raised during events such as and talking with the PE coaches. sports week. I will look at doing a 'PE Day' PE will be monitored through pupil voice, learning walks, monitoring of K From next year each class will also do a cross curricular SeeSaw unit raising the profile of PE in other subjects. 5. Parent Links Parents will be able to see what children have been learning on Seesaw. They can read the policy on the school website. 2. Curriculum & Book Monitoring Parents will be regularly updated on their child's progress at parent's evenings and termly reports as the teachers will have access to more data. The curriculum across the years has been **PE Next Steps** adapted to meet the needs of our children ensuring all children have access to a broad range of activities covering all of the curriculum. SeeSaw will be used to upload evidence of PE. 4. CPD/ staff meetings Staff meetings will be scheduled into the academic year to provide 3. Assessment CPD to teachers to enable them to understand some of the skills the Children are assessed at the beginning and the end of a unit, in a check in, check out way. This children are learning in PE and how they can be used across all areas assessment will now be passed onto class teachers. of the curriculum. These will be provided by Mr Holden and Man City. Teacher assessment will be done during each lesson and recorded on a whole class feedback sheet and saved on SeeSaw.
