Date	Version	Action	Summary of Changes
13/11/2025	1.2	Minor amendments	Changes throughout document to the following titles, Chief Finance Operating Officer (CFOO), previously Chief Finance Officer (CFO) and Health & Safety Manger, previously Health, Safety and Compliance Manager.

Summary of Changes

Contents Page

1.0	Trust Introduction and Guidance to Complete this Policy Template:	5
2.0	Individual H&S Policy Statement for Schools:	5
3.0	Organising for H&S (Trust and School Roles):.....	6
4.0	Health & Safety Form.....	13

1.0 Trust Introduction and Guidance to Complete this Policy Template:

- 1.1 As a responsible employer, Saint Teresa of Calcutta Catholic Academy Trust (STOCCAT) considers that the health, safety and welfare of all its employees, contractors, students, and others working, visiting and studying on its premises and outside those premises on associated activities to be of utmost importance. We develop our processes and procedures by following the Health & Safety at Work etc. Act 1974 associated Regulations and relevant Approved Codes of Practice.
- 1.2 This policy template helps schools to fulfil the Trusts commitment to health and safety (H&S) merging these requirements into the schools operating procedures. □
- 1.3 Each school in the trust must:
 - Sign off its own local policy statement (attached as section 2), they will also
 - Review and adopt the organisation responsibilities, making tweaks as needed to roles, but ensuring tasks are moved to other responsible staff **and not removed** (attached as section 3).
 - Complete and adapt (the trust's Arrangements document demonstrating how H&S is managed across their site (attached as section 3)
- 1.4 Once completed, schools should follow their consultation process and share the document with their Local Governing body.
- 1.5 The full policy is then shared with all staff on induction, be placed in a readily accessible place and communicated to all staff annually or when the policy is updated.

2.0 Individual H&S Policy Statement for Schools:

- 2.1 The Headteacher of St Joseph & St Bede RC Primary recognises their responsibilities under the Health and Safety at Work Act. I understand and want to ensure that the school is as safe as possible for all those who visit the site. For example, our staff, students, visitors, contractors etc.).
- 2.2 I and the staff in school endorse and will follow the Trusts overarching H&S statement. in doing so the Headteacher and Local Governing Bodies are committed to
 - Ensuring nominated staff fulfil their health and safety duties and responsibilities.
 - Reducing accidents and work-related ill health as far as reasonably practicable.
 - Ensuring compliance with statutory requirements as a minimum standard.
 - Assessing and controlling risks from work activities on and off the premises.
 - Providing a safe, healthy and secure working and learning environment for staff, students, visitors and contractors.
 - Ensuring safe working methods and providing and maintaining safe work equipment.
 - Providing appropriate H&S information, instruction, supervision and training.
 - Consulting with employees on H&S matters.
 - Monitoring and reviewing our risk assessments and control measures to ensure that they are effective.
 - Setting targets and objectives to develop a culture of continuous improvement in H&S
 - Ensuring adequate welfare facilities exist for all.
 - Ensuring adequate resources are made available for effective H&S management.
 - Learning from our own H&S experiences and sharing learning opportunities with others and implementing control measures where appropriate.
 - Selecting and engaging competent contractors who will work safely.
 - Providing adequate first aid cover and occupational health support.

- Keeping the H&S of pupils to the highest standards

All employees must follow instructions to ensure the maintenance of high standards of H&S in all school activities. This policy includes a description of the establishment's organisation and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be managed are set out in the Arrangements section.

Signed Headteacher: Heather Daly

Chair of Local Governing Board: Claire McEntyre

Date: 13/01/2026

3.0 Organising for H&S (Trust and School Roles):

3.1 The Duties of the Trust Board includes the following:

- To ensure H&S is a standing agenda item on relevant committees/meetings.
- To regularly review and ratify the Health and Safety Policy for the Trust.
- To request information to help them monitor both compliance with, as well as the effectiveness of, this policy and local school arrangements.
- To provide adequate resources to meet the Trust's legal responsibilities as well as compliance with this policy and local school arrangements
- To assist in discharging its legal obligations the Trust has appointed a 'competent person' as defined by the Management of Health and Safety at Work Regulations 1999
- To confirm all schools which are part of STOCCAT have a separate school specific health and safety policy.
- To lead by example setting health and safety standards across the Trust.

3.2 Chief Senior Executive's Leader Responsibilities:

3.2.1 The Chief Senior Executive Leader has overall responsibility as the Senior Responsible Officer (SRO) for health and safety within the Trust and for achieving the principles and objectives outlined in the Trust's Health and Safety Policy. They are supported by the Chief Finance Operating Officer (CFOO) to:

- Inform and advise the Trust Board of the resources required, and in place to comply with statutory requirements.
- Ensure that arrangements for the monitoring, and audit of health and safety are in place across the Trust's schools.
- Ensure an annual report to the Trust Board on health and safety including which includes Trust and school performance.
- Ensure schools work eliminates accident, incident and ill health potential, as far as is reasonably practicable.
- Ensure that Headteachers know and understand their individual responsibilities regarding health and safety, and that this is reviewed and challenged as needed.

- Ensure adequate communication and consultation between managers, any specialist advisers, employees and employees' representatives on health and safety matters.
- Ensure there is Competent health and safety advice/support for the schools across the Trust.
- Ensure that each school provides the correct level and standard of training to meet all aspects of health and safety.
- Create a positive health and safety culture across the Trust.

3.3 **Chief Finance Operating Officer (CFOO):**

3.3.1 The Chief Finance Operating Officer supports the Chief Senior Executive Leader in achieving the principles and objectives of the Trust's Health and Safety Policy as identified above and specifically;

- Will be the executive leader who chairs the trust health and safety strategic meetings with support from the Health and Safety Manager.
- Will manage the strategic safety of school buildings and major works programme with support from building specialists.
- Will communicate expectations for H&S compliance with senior leaders at Trust level,
- Furthermore, they will (with support from the Health and Safety Manager and Estates professionals where relevant)
- Ensure that there are effective policies and procedures, infrastructure for the provision of health & safety throughout the Trust, which is reviewed periodically to reflect changes in organisation, arrangements and legislation.
- Ensure adequate levels of staff consultation and participation in relation to matters affecting their health, safety and welfare.
- Ensure that there is provision of adequate training, information, instruction and supervision as far as is reasonably practicable to enable all staff and pupils to perform their work safely and efficiently.
- Ensure that there are safe and healthy working conditions for staff and pupils and a safe environment for all visitors to school sites. This will include planned maintenance of the building and grounds and provision of good welfare facilities.
- Ensure that there are safe arrangements for the handling, storage and transportation of articles and substances.
- Ensure that at each school site an appropriate, competent member of staff is identified to co-ordinate and lead on health & safety matters.
- Be responsible for supporting compliance with all health & safety legislation affecting the operations and activities of the central team.
- Ensure that arrangements for the monitoring and audit of health & safety are in place across all academy sites.
- Provide the Trust Board with an annual report on all matters affecting health & safety.
- Ensure the development of health, safety and welfare strategies and plans to achieve and maintain compliance with health, safety and welfare legislation.
- Ensure that the Trust's Health & Safety Policy & procedures are reviewed.

3.4 **Head of Facilities and Estates**

- Support the CFOO to develop policies and procedures, infrastructure for the provision of Health and Safety throughout the Trust
- Will communicate expectations for H&S compliance with senior leaders at school level

- Develop and implement adequate training, information and instruction as required
- Line manages the Health & Safety Manager, ensuring robust systems are in place for compliance with health and safety legislation.
- Work collaboratively with the Health & Safety Manager to monitor standards, investigate incidents, and escalate concerns to the CFOO as appropriate.
- Ensure that health and safety considerations are embedded in all estates-related activities, including construction, maintenance, and site operations.
- Support the CFOO to ensure that there are safe and healthy working conditions for staff and pupils and a safe environment for all visitors to school sites. This will include planned maintenance of the building and grounds and provision of good welfare facilities.

3.5 **The Trust Health and Safety Manager shall:**

- Hold CMIOSH status.
- Be responsible to the Head of Facilities and Estates, acting as the focal point for day-to-day H&S enquires or emerging/important issues on a school site. Providing advice or guidance as needed.
- Monitoring standards of health and safety matters as needed.
- Obtaining specialist advice on health and safety matters when required.
- Monitoring, investigating and acting where appropriate on issues of note.
- Reviewing information of accidents and hazardous situations. Escalating matters as needed to the HFE / CFOO.
- Reporting events to the Health and Safety Executive as required by the Reporting of Injuries, Diseases, and Dangerous Occurrences Regulations (RIDDOR).
- Developing, implementing and reviewing health and safety arrangements.
- Providing information and training on request and within their competence.
- Reviewing, advising on, approving/processing adventurous or residential trips and visits for schools using the Trust EVOLVE system.
- Monitoring compliance with the Management of Health and Safety at Work Regulations and other relevant legislation and associated codes of practice.

The Health and Safety Manager shall have the delegated authority to order the immediate cessation of any activity which they consider poses an unacceptable risk to the health or safety of employees or others. In such a case they will make an immediate report to the Trust and the Head Teacher.

3.6 **The Headteacher (with support from the SLT) will:**

- Amend, develop and approve the local H&S policy and for the school.
- Adopt the Trust “topic specific” health and safety amending relevant sections as needed.
- Ensure all policies and procedures are communicated to school staff and contractors as needed.
- Ensure staff understand their H&S responsibilities under the policy and associated procedures.
- Confirm appropriate training is put in place to help staff complete their roles.
- Identify person(s) who will act as H&S Co Ordinator on the school site, these persons will support the Headteacher in the development and management of the schools H&S procedures and processes. Working alongside and liaising with the Trust Health and Safety Manager. ***(if a coordinator is not identified the role defaults to the headteacher)***

- Ensure adequate accident and incident reporting processes are in place and appropriate investigations take place.
- Ensure findings from investigations are implemented.
- Ensure appropriate defect and maintenance reporting processes are in place.
- Ensure risk assessments are in place for significant risks across site.
- Ensure all statutory compliance work is undertaken for the school and that servicing and maintenance is completed in a timely manner.
- Undertake regular site inspections with the site supervisor/caretaker to ensure it is safe and secure.
- Raise with the Trust any serious issues and seek support where appropriate for advice and guidance on H&S matters.
- Ensure appropriate procedures are in place to confirm visitors, volunteers including work placements and contractors are aware of, and abide by, the school/trust H&S policy and procedures.
- Ensure the school has a trained Educational Visits Co Ordinator (EVC).
- Ensure Heads of Department in high-risk areas develop their own policy and procedures to manage safety in their area of responsibility.
- Delegate appropriate tasks to the Business Managers, the site supervisor/caretaker and engage suitable contractors where appropriate.

3.6.1 **Ensure staff are aware they must not bring their own equipment or substances onto school site without written approval (strongly advised by the Trust) □**

- Ensure sufficient first aid cover is in place and a first aid risk assessment completed.
- Liaise with, seek guidance from, the Trust Health and Safety Manager as needed.
- Always demonstrate a visible commitment to health and safety, offering guidance and support to staff on H&S issues.

3.6.2 **Each Headteacher will appoint:** A School Health & Safety Lead(s)

Roisin Lafferty- Office Manager is the schools a school health & safety lead. They will;

- Be the main point of contact for health and safety matters, for monitoring and reporting, and for liaison with the Trust Health and Safety Manager.
- Send requests to other staff requesting H&S updates.
- Task/remind staff (alongside the headteacher) to complete their main H&S duties. For example, the need to develop policies and risk assessments, the need to provide inductions, confirming accident reports are being completed, confirming H&S training is taking place.
- Be the focal point for requests for support from the Trust Health and Safety Manager.

3.7 **The onsite Business Managers / Office Manager will:**

- Support the headteacher in all onsite H&S matters.
- Investigate accident / incidents, escalate without delay any possible RIDDORs to the Trust and identify trends.
- Ensure relevant H&S policies and procedures are in place.
- Ensure staff H&S inductions are completed and recorded.
- Ensure the H&S law poster is displayed with up-to-date information.

- Complete management reviews on the compliance / site inspection checks completed by the site manager/caretaker.
- Alongside the lead first aider, ensure first aid equipment is stocked and AEDs working correctly and accessories in date.
- Liaise with the schools H&S Practitioner.

Ensure risk assessments are accurate, suitable and reviewed annually, or more often where necessary.

- Address any hazardous practices, equipment or building issues and report to the head teacher if they remain unresolved.
- Carry out a H&S induction for all staff and keep records of that induction.
- Ensure any contractors on site are competent in H&S matters.
- Coordinate H&S training for school staff.
- Liaise with, seek guidance from, the Trust Health and Safety Manager as needed.
- Always demonstrate a visible commitment to health and safety, offering guidance and support to staff on H&S issues.

3.8 **Facilities / Site Managers / Caretakers will:**

- Ensure the site is always safe and secure.
 - Ensure there are safe means of access and egress, and that these are always kept clear of obstructions.
 - Ensure contractors see and sign for the asbestos register before undertaking work.
 - Ensure the school is free of slip/trip hazards and adequate welfare facilities are provided.
 - Ensure they operate safe working arrangements when undertaking maintenance tasks.
 - Monitor contractors whilst on site and ensure they are working safely.
 - Ensure adequate fire safety arrangements are implemented.
 - Ensure regular testing and maintenance of fire equipment, doors, alarms, call points, emergency lighting is undertaken and recorded.
 - Ensure all statutory compliance is recorded and records held for review. including asbestos management and legionella, electrical systems, glazing, trees, play equipment, etc.
 - Take responsibility for acting on reports of defects and maintenance escalating any action that cannot be completed to the Business Manager/Headteacher.
 - Conduct regular site inspections both daily/weekly alone and termly with the Headteacher or relevant senior leader to identify, record and act upon any issues needing attention.
 - Ensure COSHH procedures are always followed and stored appropriately.
 - Keep records of checks completed and action taken ready for review by the Business Manager, Headteacher or Trust Health and Safety Manager.
-
- Take part in relevant training and development.
 - Complete risk assessments for the areas they are tasked with keeping safe (internal and external), their activities and any other significant risks they are responsible for as part of their role in school.
 - To always work safely using the correct equipment and to not undertake any specialist work activities (e.g. work at height) unless trained and competent to do so.

3.9 **Heads of Department, Senior Technicians and line managers are responsible for:**

3.9.1 Implementing the H&S policy within the work activities/area under their control.

3.9.2 They will:

- Develop H&S guidelines and departmental H&S policy for high-risk areas (they may wish to use templates provided by CLEAPSS or AFpE for example)
- Ensure their guidelines, risk assessments and procedures are shared with all those in their department who could be harmed by the equipment, substances, or activities.
- Ensure activities under their control are carried out, so far as is reasonably practicable, safely and without risk to health.
- Ensure any staff they line manage have completed a H&S induction and a department induction.
- Ensure any curriculum specific H&S training is completed by staff and that staff are adequately instructed and supervised.
- Ensure that all equipment is maintained and safe for use.
- Complete termly inspections of their work area to ensure it is fit for purpose and free of hazards.
- Ensure any hazards relating to their work area are communicated to the Business Manager and headteacher.
- Ensure first aid equipment near their work area covers any foreseeable injuries in their work area.
- Ensure accidents in their area of responsibility are reported and investigated. If needed escalated without delay to the Trust to RIDDOR report.
- Ensure that, if H&S advice is needed from the Trust Health and Safety Manager they request her support via the Business Manager, Office Manager or Headteacher.
- Speak to the Headteacher if they need any technical H&S training to complete their subject. e.g. via CLEAPSS.

3.10 **Teachers are responsible for:**

3.10.1 At all times, for the safety of students in classrooms, laboratories, workshops and learning activities including sports, trips and co-curricular. They are responsible for:

- Knowing the emergency procedures in respect of fire and first aid and the special safety measures to be adopted in their own teaching areas and to ensure that they are applied.
- Exercising effective supervision of students and ensuring students are aware of the general emergency procedures in respect of fire and first aid and the special safety measures of the teaching area.
- Giving clear instructions and warnings.
- Ensuring that coats, bags, cases etc. are safely stowed away, that fire escape routes are always kept clear and not obstructed, and that fire doors are not held open.
- Following safe working procedures and always using the correct work equipment
- Always using appropriate protective clothing and guards and special safe working procedures when appropriate or required (as outlined in relevant risk assessments)
- Ensuring that all accidents/incidents (including 'near-misses') occurring in the class and/or during an activity are recorded and investigated.
- Ensure that, if H&S advice is needed from the Trust Health and Safety Manager they request their support via the Business Manager, Office Manager or Headteacher.

3.11 **All other school staff: (Office staff, support staff, cleaners/kitchen staff)**

It is the responsibility of all employees and volunteers to:

- Take reasonable care of their own H&S and that of all persons who could be affected by their acts or omissions at work.
- Ensure they follow risk assessments and procedures relevant to their role.
- Co-operate with line managers so far as it is necessary to enable them to work safely.
- Use work equipment provided correctly in accordance with instructions and training.
- Inform their line managers of any matters that could pose a H&S risk.
Report any accidents/incidents (including a 'near-miss) which occurs at work.

3.12 **Contractors:**

It is the responsibility of contractors and their employees to:

- Comply with the School's Health & Safety Policy, Safe System of Work and local procedures
- Abide by relevant Codes of Practice for their trade or discipline.
- Report any accidents or dangerous occurrences to the **Site Manager- Paul Forrester and H&S lead- Roisin Lafferty**

3.13 **Pupils will:**

- Follow safety and hygiene rules intended to protect the H&S of themselves and others.
- Follow safety instructions of teaching and support staff, especially in an emergency.
- Reporting any H&S hazards they notice to a member of staff as soon as possible.

4.0 Health & Safety Form

	STOCCAT		
	HEALTH & SAFETY POLICY		
	DATE:	JAN/2026	VERSION: 1
	REVIEW DATE:	JAN/2027	
SUBJECT:	ARRANGEMENTS FOR ST JOSEPH & ST BEDE RC PRIMARY SCHOOL		

1. Local roles & responsibilities for Health and Safety (H&S) management:

Each school has key members of staff who have additional responsibilities for the Health and Safety of themselves, staff, students and others on the school site. In this school:

<p>The senior member of staff in the establishment with day-to-day accountability and responsibility for all Health and Safety matters is:</p> <p><i>(this is normally the Headteacher)</i></p>	Heather Daly
<p>The person who leads on Health and Safety matters in this school is:</p> <p><i>This person is often called the H&S lead. They must have a good overview of the premises. They might be The Bursar, Business Manager, Site/Facilities Manager etc.</i></p>	Roisin Lafferty
<p>The persons (in high-risk school departments, curriculum areas) who are responsible for their Departments H&S policy or procedure is:</p> <p><i>(Normally the Head of Department using guidance/templates from (CLEAPSS, Nsead, AfPE etc.)</i></p> <p><i>Primary schools might want to add their subject coordinators</i></p>	Science: Alison Gunn
	Design Technology Sinead Burns
	Food Technology Sinead Burns

	Art: Amy Chadwick
	PE Katie Caruso
In this school we consult with staff, regarding health and safety regularly by: <i>(This might include staff briefings, committees, 1 to 1s)</i>	Staff Briefings, new policy uploads onto Every.
Members of the school Health & Safety forum/committee are:	
2. Risk assessments	
The Trust Risk Assessment Policy is available to all employees within SharePoint: Health and Safety It is recommended that employees read this policy in conjunction with the School Health & Safety Policy. The Trust expects all schools to develop and communicate risk assessments for the significant risks on site. Risk assessments will consider the premises, our activities, the equipment we use and people at risk: In this school we ensure all our <u>significant hazards</u> are risk assessed by staff in charge of those areas.	
The person with overall responsibility for ensuring risk assessments are carried out is: <i>(This is normally the Headteacher with support of the H&S Coordinator and the appointed person)</i>	Heather Daly
All staff that complete risk assessments can have additional training and support from our Competent Health and Safety Manager. They should contact the school BM or H&S Lead in the first instance so they can plan.	James Fortune-Clubb (CMIOSH)
2.1 On a day-to-day basis the persons responsible for completion of and sharing of their risk assessments is:	
Premises (inside and outside) <i>(Normally the site manager and school's competent person)</i>	Paul Forrester- Site Manager Roisin Lafferty- Office Manager
Premises (statutory) <i>(add the Contractors names)</i>	Fire Risk Assessment: Manchester Fire Compliance

	Legionella Risk Assessment: IWS-Bury MBC
	Asbestos: A&L Consultants Ltd
Low risk classroom risk assessments <i>(Normally the Site Manager and classroom teachers)</i>	Paul Forrester & All Teaching Staff
Higher risk classrooms or teaching area risk assessment <i>(Normally high schools - for example Food Tech, DT, Art, Science, pools, PE, Gym equipment - Normally the Site Manager and Heads of Department)</i>	Paul Forrester
Curriculum and curriculum activities <i>(Teaching staff with support from the subject coordinator, or CLEAPSS, AFPE etc. these assessments can be captured as part of lesson plans)</i>	All Teaching Staff
Staff risk assessments: (reasonable adjustments, pregnant worker, work related stress, work experience, Personal Emergency, Evacuation Plans (PEEPS))	Heather Daly Roisin Lafferty
Student risk assessments, Health Care Plans including PEEPs <i>(Normally school SEND Officer in consultation with GP, parents' specialists etc.)</i>	Claire Wheeler
Trip / visit risk assessments (see section 3) <i>(this is normally the visit or group leader)</i>	Trip Lead
Copies of risk assessments are kept in the following locations:	PREMISES
	Sharepoint
	GENERAL CLASSROOM ACTIVITIES
	Sharepoint
	HIGH RISK CLASSROOMS:

	Sharepoint
	CURRICULUM:
	Sharepoint
	STAFF:
	Sharepoint
	EDUCATIONAL TRIPS & VISITS:
	Sharepoint
Risk assessments will be reviewed on every 1- 2 years (or more often if required) by the staff listed above	
3. The Trust has purchased an EVOLVE licence	
<p>The Trust Educational Visits Policy is available to all employees within SharePoint: Health and Safety It is recommended that employees read this policy in conjunction with the School Health & Safety Policy.</p> <p>All schools should make full use of the system. Local low risk trips are signed off by the Headteacher. Residential trips and adventurous trips are also reviewed by the Trust. These must be signed off by the Headteacher and sent to the Trust at least 3 weeks before the date of travel.</p> <p>This school ensures staff and students regularly participate in Educational Trips and Visits and that these are well managed by:</p>	
<p>All trips and visits must be approved before they are arranged by:</p> <p><i>(Normally the Headteacher - add how email, filling in a form, discussion etc.)</i></p>	Heather Daly
The schools Educational Visits Co-ordinator (EVC) is:	Roisin Lafferty
<p>The person responsible for:</p> <p>Checking suitability of venues, activities, providers, coaches and their safety record is: <i>(Normally the visit leader and office staff)</i></p>	Visit Lead

<p>Educational visits risk assessments and documentation are entered onto EVOLVE by:</p> <p><i>(Normally the Visit Leader)</i></p>	Visit Lead
<p>The person responsible for ensuring Residential trips/adventurous trips are sent to the Trust (via EVOLVE) at least 3 weeks before the date of travel is:</p> <p><i>(Normally the Headteacher)</i></p>	Heather Daly
<p>4. The Trust expects its schools to ensure they have suitable and sufficient emergency procedures in place. All staff and students must be aware of the emergency arrangements and have a chance to participate in drills.</p>	
<p>The competent person responsible for reviewing the fire risk assessment and ensuring it is updated annually is:</p> <p><i>(Normally the Headteacher, SBM and Site Manager/Caretaker)</i></p>	<p>Heather Daly</p> <p>Roisin Lafferty</p>
<p>Fire drills will be carried <u>each term</u> the person responsible for ensuring this is:</p> <p><i>(Normally the Headteacher and Business Manager with the Site Manager/Caretaker)</i></p>	<p>Heather Daly</p> <p>Roisin Lafferty</p>
<p>The person responsible for ensuring the fire evacuation plan is fit for purpose after a drill is:</p>	<p>Heather Daly</p> <p>Roisin Lafferty</p>
<p>The responsibility for sharing the evacuation procedure with staff during induction and at the start of the school year is:</p> <p><i>(Normally the Headteacher and Business Manager with the Site Manager/Caretaker)</i></p>	<p>Heather Daly</p> <p>Roisin Lafferty</p>
<p>Different fire alarm points will be tested on a weekly basis by:</p>	Paul Forrester
<p>Means of escape will be checked on a weekly basis by:</p>	Paul Forrester
<p>Firefighting equipment will be checked on a weekly basis by:</p>	Paul Forrester
<p>Emergency lighting and exit lighting will be tested on a monthly basis by:</p>	Paul Forrester
<p>Records of tests, checks and drills will be completed and held for review by:</p>	Paul Forrester

Fire extinguishers will be serviced on an annual basis by:	Check Fire & Security
The person responsible for ensuring all staff complete regular fire training with informal refresher training is:	Heather Daly Roisin Lafferty
The person responsible for ensuring school has sufficient Fire Wardens to support a swift and smooth evacuation is:	Heather Daly Roisin Lafferty
<i>All staff should undertake fire awareness training every 3 years with an annual informal in-house refresher</i>	

5. Accident, Dangerous Occurrence, Violent Incident and Near Miss Reporting and Investigation	
<p>The Trust Accident and Reporting Policy is available to all employees within SharePoint: Health and Safety It is recommended that employees read this policy in conjunction with the School Health & Safety Policy.</p> <p><i>Any employee, contractor or member of public who has an accident, dangerous occurrence, verbal abuse or actual or threatened violence or near miss on school premises must complete a Trust accident form.</i></p> <p>Minor student accidents/incidents which were not attributable to premises, activity management or supervision (and requires no medical intervention) should be logged on a minor injury log.</p> <p>Student accidents that were attributable to premises activity management or supervision or where the child was sent home after medical intervention or those that went to hospital must be logged on a full Trust accident form (see accident flowchart)</p>	
The location of minor injury log is:	CPOMs
Each term the minor injury log will be reviewed to ensure full accident forms were not required by: (Normally the Business Manager or lead FA)	Roisin Lafferty
Accident forms are located:	Sharepoint
Persons responsible for carrying out accident investigations is: (Dependant on the seriousness of the accident/incident normally the Site Manager, Business Manager and if needed the Headteacher and competent person)	Roisin Lafferty

Persons responsible for checking accident forms and escalating them to the Trust is: (Normally the Business Manager and if needed the Headteacher)	Roisin Lafferty
Persons responsible for RIDDOR reports is:	All RIDDOR reports to the HSE must only be made by the Trust with support from the trust Health and Safety Manager
The person responsible for monitoring and reviewing accidents and incidents to identify trends in this school is:	Roisin Lafferty

6. First Aid - The Trust expects all schools to have sufficient FA cover for staff, students and others always the school is open or staff on site.

The Trust **First Aid Policy** is available to all employees within SharePoint: [Health and Safety](#) It is recommended that employees read this policy in conjunction with the School Health & Safety Policy.

On this site the following staff have received first aid training (FAW or Emergency FA):

Name	Location/Extension	Type of training (FAW EFA) and date certificate expires
Roisin Lafferty, Lynsey Baumber, Sharon Blinkhorn	Compliance Ltd Training	EFA 11/11/2027

The following staff have been trained in paediatric first aid (Primary Schools):

Name	Location/Extension	Date of expiry of certificate
A Shaw, A Gunn, A Burke, A Chadwick, A Myerscough, A Costello, C McCaffer, C Taylor, C Wheeler, D Pearson, E Lord, E Gaunt, E Dean, G Smart, G Hindle, H Daly, J Wojciechowski, J Hearne, J Hamer, J Trueman, J Marcroft, K Wood, K Caruso, K Borrelli, L Baumber, M Keiley, N Greenhalgh, N McDoanld, R Ellison, R Lafferty, R Langford, S McQueeney, S Nisar, S Greenhalgh, S Prince, S Burns, T Corrigan	Held at SJSB: Compliance Ltd Training	EFA 02/09/2028

The person responsible for ensuring first aid qualifications are maintained is:	
First aid boxes are kept in the following areas in school:	Heather Daly Roisin Lafferty
Travelling first aid boxes are located:	Infant staffroom, junior staffroom, infant first aid trolley, junior first aid trolley.
The person responsible for administration of medication to our students is:	All Staff
Student medications are located:	Controlled medication- First Aid Lockbox in Main Office for Junior Building and First Aid Lockbox Staffroom for infant building. All other medications are kept in the orange medical bags in each classroom.
The location and contents of all first aid boxes will be checked on a bimonthly basis by:	Gayle Smart
Deficiencies of first aid materials should be reported to:	Roisin Lafferty
The address and telephone number of the nearest medical centre is:	Huntley Mount Medical Centre, Back Huntley Mount Rd, Bury, BL9 6JA 0161 761 6677
The address and telephone number of the nearest hospital with accident and emergency facilities is:	Fairfield General Hospital, Rochdale Old Rd, Bury, BL9 7TD
7. Pupils with medical/ particular needs. All schools in the Trust take the medical needs of pupils seriously. To ensure this we follow DFE guidance <u>Supporting Pupils at School with Medical Conditions in this school:</u>	
The person(s) responsible for undertaking and reviewing the healthcare plans of pupils with medical needs is:	Claire Wheeler

The person responsible for ensuring pupil specific risk assessments are completed and communicated is:	Claire Wheeler
The person responsible for the supervision and storage of pupil's medicines and ensuring parents sign relevant forms is:	All Staff
8. Maintenance and premises. We want to ensure our school buildings are as well maintained and as safe as possible. We do this by identifying staff to support us in following ways.	
All employees must report any hazards that could be a cause of serious or imminent danger, e.g. damaged electrical sockets, broken windows, suspected gas leaks, wet or slippery floors immediately to:	Name(s): Paul Forrester, Roisin Lafferty Log on Every
A person encountering any damage or wear and tear of the premises which may constitute a hazard should report it to: Equipment must be removed from use as soon as possible.	Name(s): Paul Forrester, Roisin Lafferty Log on Every
Tree audits are completed by:	Special Branch Tree Surgeons Ltd
Glazing Audits are completed by:	
Internal and external site inspections are completed by: <i>(normally Site Manager or Caretaker daily with a more formal Termly inspection with the SBM and/or Headteacher)</i>	Paul Forrester
The person (and their deputy) responsible for unlocking and locking, dealing with emergency call outs for the building, and arming and disarming security alarms etc. is:	First: Paul Forrester
