### GOSPEL VALUE

This week, we celebrated the Feast of the Ascension. The Ascension commemorates Jesus rising into heaven 40 days after Easter, marking the end of his physical time on Earth. The Ascension marks Jesus returning to God to prepare a place for believers, promising to always be with them through the Holy Spirit.

Together as a community, we listened closely to the Gospel message. Mr Janosko led us in some beautiful singing whilst the GIFT team led us in prayer and reflection. It was a very special celebration together as a school family.

### COMMUNICATION

To ensure no communication is missed, please note that the class email addresses are no longer in use. Going forward, please send all email correspondence to the office email address, where messages are monitored regularly.
